\$\tilde{D}A\tilde{A}\$; B n s í

A large, bold, black capital letter 'A' is centered on the page. It is a simple, sans-serif font with a thick stroke. The letter is positioned in the upper half of the page, with its base resting on the horizontal line that divides the page into two equal halves. The top of the letter reaches towards the top edge of the page. The letter is perfectly symmetrical and occupies a significant portion of the page's width and height.

A large, stylized black and white logo. It features thick, overlapping geometric shapes. On the left, there's a shape resembling a house or a stylized 'A' with a horizontal base. To its right, a large, thick, curved shape, possibly a stylized 'C' or 'G', dominates the center. Further right, another thick, horizontal rectangular shape is visible. The overall composition is abstract and modern, using high contrast between the black shapes and the white background.
